GENERAL CONDITIONS

Consumption is not real-time valorized: over-consumption is a risk. In a roaming situation (communication from international), SeaSatCom depends on information given by operators and their delays of transmission. In this situation, the Client is informed that alerts can be sent with delays. The Client remains at any moment responsible for its usage, which he has to fulfil. Subscriptions are subject to 300€ deposit per subscription, refunded at end of contract. Payment by direct debit in advance to a bank account (SEPA) or bank card. According to yacht registration, invoices may be issued without VAT. All prices indicated are excluding VAT. SeaSatCom's catalogue may be modified at any time and particularly if there are changes in economic conditions, exchange rates or operator policy.
